“A Community Joyfully Embodying Christ”

Volume 54, Issue 4

Dec, 2021

“For when you did awesome things that we did not expect, you came down, and the mountains trembled before you. Since ancient times no one has heard, no ear has perceived, no eye has seen any God besides you, who acts on behalf of those who wait for him.”

--Isaiah 64:3-4 NIV

This issue of the *Voice of the Dove* may look a bit different. That’s right, we are hoping to steer you to our amazing website, rhbcdove.org. Throughout this issue you will find QR codes. When you aim your phone camera at these codes, a link will open that will take you to an article on our website that will give you more information. Welcome to the future.

For example, you can find an update about Pastor Appreciation Day just by using the funny little code on this page.

Pastor Appreciation Day

Or you can go to the place on our website where you can find all 90 of the newspaper columns I have written over the years for the *Arkansas Democrat Gazette*.

You can also find Bill Merrifield’s amazing posts about the incredible link between science and creation. Not to mention news and pictures about our Little Free Library and the great time we had at our recent work day.

I hope you will spend some time on our website. And, perhaps even more importantly, tell your friends. Send them a link. Put a link on your Facebook page. Great things are happening at our church. Things that maybe we did not expect...

Noel,

Steve
